Helping People. Changing Lives.

for Madison County, Inc.

Starting Together

*Supporting Parents
Right From the Start..*

**Home visiting program
for parents and children
in Madison County**

- Information and referral services
- Promote positive parent child interaction beginning prenatally
- Infant/child development
- Family support services

We are reaching out to families who are expecting or have a young child in the home.

Starting a family can be very challenging.

The day to day stresses can be overwhelming. Feeling this way is normal.

There are ways we can help you "lighten the load."

It's free. Call us.

We want to help.

Starting Together supports a brighter future for Madison County's children and their families.

Because... children don't come with instructions.

Parents are the first and most important nurturer, teacher and advocate in their child's life.

We offer families information, support and activities beginning prenatally until school age to help you in raising healthy and happy children.

- **Infant / child development activities**
- **Child Health information**
- **Learning about Community Resources**
- **Sharing parenting successes and challenges**
- **Parent Support and Parent- Child Play Groups**
- **Opportunities for Parent Involvement**

Our program is brought to you by the Community Action Partnership for Madison County, Inc. with the training and support of Healthy Families America, the New York State Office of Children and Family Services, Early Head Start & the Department of Health

Vision Statement

Community Action changes people's lives, embodies the spirit of hope, improves communities, and makes America a better place to live. We care about the entire community, and we are dedicated to helping people help themselves and each other.
